Annual Rental: Annual cart rental can only be requested by the legal property owner. Payment of the prorated annual rental fee is required in advance of cart delivery, and is non-refundable. Monthly Rental: Payment of the rental fee is required in advance of cart delivery, and is non-refundable. Monthly rental fees are based on a calendar month and will not be prorated. For example, if the cart is delivered on May 1 and removed May 31, (kept for the entire calendar month) or delivered on May 15 and removed May 20, (used for 5 days during the calendar month), the cost is the same. The District will automatically schedule the cart for removal on the last working day of the prepaid rental period.

Initial _____

Use: The Refuse Department will empty additional cart(s) on the normal collection day according to the address. To ensure pick-up the cart(s) must: weigh under 200 pounds; allow the lid to close completely; be placed at least 3 feet from any obstruction such as other carts, mailboxes, vehicles, structures, etc.; and be placed with the lid opening to the street. Inability to make scheduled pick-ups will not entitle the customer to a refund, extension of service or additional pick-ups.
